

LOAD INDICATOR

The LED indicator shows the load of the machine, allowing the operator to always drill at maximum pressure, for best performance.

OVERLOAD PROTECTION

Increases productivity and extends service life.

Husqvarna DMS 160 A

DMS 160 A is a small but powerful electric drill motor and stand system. An ideal choice for light core drilling applications up to 120 mm diameter. Suitable for stitch drilling and drilling close to walls and edges in applications such as small channels and pipes as well as electrical sockets.

TECHNICAL SPECIFICATION

Input power	1550 W
Voltage	230 / 110 V
Phases	1
Amperage	6 / 13 A
Spindle speed full load	1100 rpm
Rated output, W	0/950 W
Rated current, A	6/13 A
Max drill bit diameter	120 mm / 4.7 inch
Drill connection	R 1/2"
Column height	840 mm
Total weight	10.5 kg
Sound level	102 dB(A)
Sound pressure	89 dB(A)
